many readers give me information on a subject that, although not agricultural, is of much importance to farmers? Who has studied the weevil? How is it propagated? At what stage of the growth or maturity or age of the grain does the weevil attack it? Can weevil be driven out of wheat, and how? If the old crop have weevil in it. how? If the old crop have weevil in it will the insect attack new wheat that may be mixed with the old, and at what rate will the wheat be destroyed? If any of your readers can inform me of a preventive or cure of weevil they will benefit all who produce or handle or grind

A MUCH-MIXED CASE OF BREAMY.—Sac City has a man under arrest for bigamy, and his case is very considerably mixed. He has lately paid loving attentions to a Sac has lately paid loving attentions to a Sac has lately paid loving attentions to a Sac City lady, and finally won her heart and hand, and they were made one, as she at least in good faith supposed. Then it came to light that about three months ago Mr. Murray was married, as he in good faith Murray was married, as he in good faith | se 12-3t Murray was married, as he in good faith supposed to a lady named Faulkner, living in Wisconsin. His defence is that it has since proven that the was already married since proven that the was already married Rent very low. Apply to JOHN T. GODDIN. Real Estate Agent, to a man in New York State, and that consequently his marriage contract was not binding. The prosecution then came gatlantly to the line, and showed that this man
to whom Mrs. or Miss Faulkner was married
had a living wife before he took her, and
that consequently her marriage with taim
was void and her marriage with Marray a
